

Recycle Program: For your convenience we will accept these items at a slight cost – *It's a small price to pay to save the planet.* (All of the other junk in your bin will be properly recycled at no extra cost as part of our residential & environmentally friendly service.)

Additional Recycling Costs

-  Televisions (flat screen and console), Computer Monitors: **\$50 each**
 -  Refrigerators, Freezers, Water Coolers, Air Conditioners, Dehumidifiers: **\$55 each**
 -  Tires: *No heavy equipment or industrial sized tires accepted **\$45 each**
 -  Propane Tanks (w/stems removed) **\$30 each**
- ⊘ Not Accepted: Mattresses, Box Springs, Textiles, Hazardous Waste, Asbestos, Liquids, unruly children, or ex-spouses.

Restrictions:

-  No Mattresses, box springs or textiles.
-  No Liquids or Hazardous Waste (e.g., explosive, flammable, toxic or corrosive, gasoline, motor oils, paints, solvents, etc.)
-  No Biohazardous Waste and No Biomedical Waste (e.g., needles, syringes, lancets)
-  Dirt and masonry products (Include but not limited to brick, concrete, cement, pavers, cinder blocks, mulch, gravel, sand, dirt, soil)

**Hazardous Waste & Restricted Item Penalties - Please keep in mind, upon inspection and tarping bin, if any hazardous or restricted item is seen, it will be removed and left on premises. If items are not seen until unloading and disposing, the customer will be responsible for any additional charges imposed by the disposal sites.

Bins are NOT to be filled past wall height. If filled too high, bin will not be picked up and extra fees may be charged for overfilling, as well as a second pick up attempt.

Please book your bin 24 hours in advance to ensure delivery when needed. Payment is required upon Bin order. MasterCard, VISA AMEX, and Discover accepted. Bins will be picked up within 24-48 hours of your call.
